

MAGLIONA

ABOGADOS

RECOMMENDED AS ONE OF THE BEST CHILEAN FIRMS BY SOME OF THE
MOST PRESTIGIOUS INTERNATIONAL DIRECTORIES

Chambers & Partners | The Legal 500 Latin America | Best Lawyers | Leaders League | Latin Lawyer 250 | IP Stars

THE FIRM

Magliona Abogados provides legal services of excellence both to local and multinational companies. We specialize in corporate matters, tax services, complex business litigation and finance structures, telecommunications, technology law, intellectual and industrial property and management of government relations and public policies, including, among others, corporate structuring, due diligence planning, mergers and acquisitions, financial assistance, syndicated loans, liability restructuring and leasing. We are experts in licensing and software development agreements, technological platforms, franchises, data protection, computer crimes, distribution, production and financing of film and television.

Our clients encompass a wide range of enterprises. Our goal is to build sound and enduring relationships that help our clients reach their goals.

ACKNOWLEDGMENTS

Featured by Chambers Latin America 2023 as leading law firm in TMT (Telecom, Media and Technology) (Band 1). Clients point out “Magliona Abogados’ competitive advantage is the technical capability of the team and the speed of execution and response.”

Featured by Chambers Fintech 2023 in Fintech Legal Band 1. A client remarked “They have an answer for every issue that pops up. They solve all problems in a practical manner.”

Recognized by The Legal 500 Latin América 2023 in TMT (Tier 1), and in Data Privacy, Intellectual Property and Corporate and M&A. Clients state: “I am satisfied with its services, which are highly specialised – it is difficult to find a team of lawyers with such capabilities.” Y “Excellent quality team, with technical, legal and business knowledge in this area. There is no team that can be compared with this level of quality and service – personalised, 24/7 attention.”

Recommended by IP Stars 2022 in Copyright & Related Rights and featured in Trademark.

Recognized by Best Lawyers 2023 as Law Firm of the Year in Technology Law and by Leaders League 2022 as Leader in Technology, Excellent in Fintech, Highly Recommended in Telecommunications Law and in Enforcement & Anti-counterfeiting Actions, Recommended in Patent Prosecution, Patent Litigation, Trademark Prosecution, IP Litigation as well as in M&A.

Recommended by Latin Lawyer 250, edition 2023. The publication highlighted that “Magliona Abogados attracts market praise for its long-standing experience working for clients in the technology, media and telecommunication sectors. Clients are impressed by the speed of responses and knowledge of the team, as well as the highly personalised service.”

TEAM

Our attorneys understand our client's businesses and objectives so our legal advice has a deep commercial orientation. Our commitment is to satisfy the legal needs of our clients in a world of growing commercial and legal challenges. The team has significant professional experience in Chile and abroad. We understand local and multinational companies that must comply with the demanding regulations and standards required in business today.

Our team includes prominent attorneys educated in the most prestigious law schools in Chile and abroad. Some have master's degrees in business, technology law or in other areas of expertise. Our lawyers commonly speak at seminars and conferences and are well-known academics in their areas of specialization at the best universities in the country. They are continuously publishing articles in prestigious international magazines and authoring books on special subjects. The members of our firm have fluent command of English gained during extended periods of study and practice in English-speaking countries, which allow us to represent the interest of our clients.

GLOBAL REACH

Magliona Abogados is a member of Geneva Group International (<http://www.ggi.com>) and Primerus (<http://www.primerus.com>)¹, which allows us to offer a global service of exceptional quality in protecting the interests of our clients. We provide a unique quality service to companies that explore the possibility of establishing and starting operations in Chile and the region, through solid advice on the necessary regulations for the start of operations, recommending the most appropriate corporate structure for each case and providing advice on matters as varied as intellectual property protection, relationship with employees and everything necessary for the optimum development of the business.

(1) Primerus is a worldwide network of law firms, throughout the US, Asia, Europe, the Middle East, Africa, Latin America and the Caribbean.

PRO BONO

Magliona Abogados is a proud member of the Pro Bono Foundation (www.probono.cl), a nonprofit foundation seeking to bring quality legal advice to individuals and companies with limited resources. Magliona Abogados and his team understand that community involvement is fundamental to the training of today's lawyer.

PRACTICE AREAS

Our professional services include specialized corporate and tax matters, litigation, telecommunications, new technologies law, intellectual and industrial property, government relations and public policies, including, among other matters, corporate structuring, due diligence processes, mergers and acquisitions, financial advisory, syndicated loans and restructuring of liabilities. We are experts in licensing and contracts for software development, technological platforms, franchises, data protection, cybercrime and contracts for distribution, production and financing of film productions.

BANKING, FINANCING AND PROJECT FINANCE

Magliona Abogados advises in all types of finance, collateral and security, simple and syndicated loans, derivatives transactions and project finance.

CONSUMER PROTECTION

Magliona Abogados advises its clients on matters related to consumer law, from a current perspective, considering the sustainable development of the regulations applicable to this subject and its relationship with other areas of practice.

We specialize in analyzing general contracting conditions for compliance with duties and obligations established by law, particularly, in e-commerce matters.

We represent our clients' interests in collective and individual actions, administrative actions, mediations, agreements and collective trials.

CORPORATE / MERGERS AND ACQUISITIONS

Magliona Abogados provides advice on corporate and contractual matters, including joint ventures, mergers and acquisitions, due diligence as well as bidding processes. We advise our clients during the process of determining the corresponding corporate structure, including negotiating shareholder agreements and drafting the needed documents to materialize joint ventures, mergers or acquisitions. Our consultancy includes all aspects necessary for the establishment and development of a commercial activity, including, among others, customs, real estate, tax, labour, regulated markets and antitrust matters.

We support our clients structuring a wide range of corporate transactions and advising on all types of contracts, negotiations, documents preparation and review for all kinds of processes that require our legal and risk analysis, in operations both locally and internationally.

DATA PROTECTION

Magliona Abogados advises its clients on drafting, implementation and enforcement of privacy policies, which cover matters related to image right, the right to honor and privacy, protection or commercial exploitation of the image and other assets related to privacy.

At Magliona Abogados we advise our clients in order to comply with all data protection obligations imposed by the new regulations on the subject.

ENGINEERING, CONSULTING AND RELATED SERVICES AGREEMENTS

Magliona Abogados has been involved in structuring, negotiating and drafting more than 100 service agreements related to the mining industry.

FINTECH

We offer a unique service based on a full understanding of technology, its derivatives, the Fintech industry, and its legal implications. One of them is applying new technologies to the financial markets, mainly advising payment service providers (PSPs). We are proud to declare that we are fully engaged in reporting to our clients' new opportunities in the financial markets.

Magliona Abogados advises traditional banks, start-ups, marketplace / peer-to-peer lenders, payments companies, technology clients, among others. FinTech companies operate in various sectors of the highly regulated financial services industry. As FinTech continues to grow, financial regulators have grappled with ways to fit these disruptive companies and technologies within the existing regulatory framework.

We assist our clients in navigating their journeys in compliance with legal, business, and regulatory matters, enabling them to successfully achieve their business objectives, protect their technology and intellectual property, and navigate applicable regulatory requirements as they revolutionize the financial services industry.

GOVERNMENT RELATIONS AND PUBLIC POLICY MATTERS

Magliona Abogados handles government relations and public policy matters for its clients, including a vast range of strategies and areas with key players and Government agencies.

INTELLECTUAL PROPERTY

Magliona Abogados advises its clients in the registration of trademarks, patents and industrial designs, as well as in copyright and internet matters.

The protection of intellectual property has a special relevance for companies as they continue to expand and protect their technologies, brands, products, data and services.

Magliona Abogados is a leading firm in the Intellectual Property market, providing strategic, commercial and litigation advice in the area.

LABOUR & EMPLOYMENT

Magliona Abogados has a labour practice with experts in the field. We support our clients, especially human resources departments, in planning, management and legal audit. We provide legal services to companies and individuals in matters such as representation in labour litigation, drafting and management of individual contracts and collective agreements, individual or collective negotiation processes, compensation and incentives, labour accidents, representation before the Inspectorate of Work and Social Security, among others.

We have experience in the field of subcontracting, advising leading companies, contractors and subcontractors.

One of the main objectives of our professional advice in this area is to prevent conflict. Thus, our purpose is to work along with our clients, developing policies and practices that promote productive relationships, with the aim of reducing the possibility of labour conflicts whether individual or collective, or administrative sanctions. Finally, we have the attorneys, the knowledge and experience required to advise our clients before the legal, substantive and procedural modifications of the Labor Reform.

LITIGATION (CRIMINAL)

Magliona Abogados has an undeniable career in the new criminal prosecution system, specializing in criminal litigation in oral trials. We provide legal advisory services and judicial representation in criminal matters, to individuals and companies, particularly in matters of economic crimes (internal fraud, financial fraud, cybercrime, securities market, and other equivalents associated with corporate activities).

LITIGATION AND ARBITRATION

Magliona Abogados defends the interests of its clients in mediations and arbitrations, in the filing of legal actions in civil, contractual and non-contractual liability matters, as well as in the forced execution of credit agreements. Magliona Abogados represents its clients before the Arbitration Center of the Chamber of Commerce of Santiago, Arbitrators and Ordinary Courts of Justice.

MEDIA & ENTERTAINMENT

Magliona Abogados represents the different agents of this dynamic industry, providing advice to actors and producers, in advertising contracts and production, distribution and financing agreements of film and other productions. We participate in the creation of a business plan, corporate structuring and determining of the most appropriate financing structure for each project.

PROJECT FINANCING

Magliona Abogados advises its clients through all phases of a project, from the beginning to the post-operation stages, which includes due diligence processes, constitution of investment vehicles necessary for the development of the project, review and drafting of project contracts, structuring of guarantees, the financing itself and all the necessary advice for the success of these operations.

PUBLIC LAW

Magliona Abogados represents its clients before the governmental authorities, in matters of public policies and regulation.

In a context where the State's regulatory intervention in different economic activities has intensified, Magliona Abogados advises its clients in all regulated sectors of the economy.

REAL ESTATE

Magliona Abogados provides advice on all types of real estate projects, purchase and sale of real estate, subdivisions and mergers of properties, leases, usufructs, loans, real estate leasing and mortgage loans, defense in lawsuits, laesio enormis, demarcation, eviction, expropriation, concessions and permits related to national goods for public use.

TMT

Magliona Abogados has a team of experts in the protection of new technologies and the intellectual and industrial property of its clients. We advise important telecommunications companies, software and other technologies producers as well as companies that provide services on the Internet and others that need to protect their intangible assets, such as databases.

One of our firm's most important area of expertise is the licensing of software, technology contracts, file exchange platforms and data processing, electronic contracting, data protection, protocol and privacy policies, security and computer crime.

We protect our clients' technological development in terms of intellectual and industrial property, including copyright, trademarks, invention patents, utility models, industrial designs, domain names and others.

We have successfully participated in the establishment of franchises, distribution and representation contracts both nationally and regionally. In addition to our corporate practice, we incorporate our solid experience in considering technology as a relevant asset in complex transactions such as mergers and acquisitions.

VENTURE CAPITAL

Magliona Abogados is a recognized firm in Venture Capital and advises its clients from its initial stages to its consolidation and internationalization process.

We provide advice on all types of venture capital financing, supporting our clients on each stage of the company's growth, including seed capital, early stage rounds, rounds of growth, debt financing, angel investor rounds, due diligence, corporate governance and tax planning.

OUR LAWYERS

Our attorneys have earned great professional experience acquired in Chile and other countries. This means they understand local and multinational companies and their need to comply with the demanding standards of today's businesses.

Members of Magliona Abogados have been educated in the most prestigious law schools in the country and abroad, some of them have earned master's degrees in business, technology law and other areas. Our attorneys are regular speakers at seminars and conferences and are leading scholars at the best universities in the country. They continuously publish articles in prestigious international magazines.

CLAUDIO MAGLIONA

ESTEBAN J. ELIAS

Of Counsel

eelias@magliona.cl

PRACTICE

As a lawyer admitted in Chile, as well as in New York, Washington DC and Florida, Esteban developed part of his practice in the international corporate and securities law, including equity and debt offerings, mergers and acquisitions, lending, joint ventures, licensing, foreign investment and other corporate matters. He has advised soundly on the regulations for operational start-up and made recommendations for the most appropriate corporate structure, as well as he has extensively counseled U.S. and Latin American clients in all aspects of their business transactions.

In the last five years, he has assisted and advised companies with respect to their process of reorganization, by structuring and moving companies from their original place of incorporation (mainly Latin America) to a U.S. jurisdiction and then assisting them with their rounds of financing such as Xepelin Inc., Bluetek Inc., Rocketbot Inc., Habit Global, Opencasa Inc., among other successful LATAM start-ups and companies. He has also worked and assisted Chilean venture capital funds in connection with their investments in companies as part of their expansion in the U.S. market, such as Manutara, Weboost, Invexor Capital and Genesis Ventures.

PROFESSIONAL EXPERIENCE

Previously, among other positions, Esteban worked with Piper Rudnick LLP in Washington, D.C. (currently DLA Piper). At DLA Piper, he worked in the Venture Capital and Emerging Growing Companies Group.

He has recently become a partner of the prestigious and leading venture capital firm PAG LAW, with offices in Miami and New York.

PUBLICATIONS

Esteban has given various presentations regarding several subjects such as: best corporate practices in connection with venture capital and private equity financing, foreign investment, corporate regulations, labor law regulations, etc.

EDUCATION

Law, Universidad Central de Chile Law School (LL.B. equivalent) graduated with high honors in 1999 where he classed number 2 out of 133 students.

Master of Laws (LL.M.), American University Washington College of Law in International Finance and Corporate Law.

New York admitted since 2001.

ACADEMIC ACTIVITIES

Esteban has been a professor of Economic Law at Universidad Central de Chile. Based on Esteban's professional and academic credentials and particularly on his experience as a New York lawyer, he implemented and taught the course "Introduction to the Law of the United States of America."

LANGUAGES

Spanish and English.
